Event Title- An Interactive Session with Worthy Principal
Event Date- 04-05-2021
Event Organized by- Student Welfare Committee

Student welfare committee of Doaba College organized an Online Interactive session between worthy Principal, Dr. Pardeep Bhandari and Class Representatives. Prof. Sonia Kalra, Convenor, welcomed all and congratulated the students on being selected as class representatives. She explained the importance of Student Welfare Committee to students and members that it is an excellent platform to discuss various academic and non-academic affairs of the students.

Principal, Dr. Pardeep Bhandari encouraged the young and dynamic class representatives to work with their teachers actively. He stressed that the role and responsibility of a class representative is not only confined to his/her institute but also towards the nation. The students should set high standards of character, personality, community service and leadership. For this the students need to be aware of their rights and duties and act as agents and carriers of change. He shared the vital mantra of 'Learn-Create-Grow and Enjoy' and highlighted his future plan of action for the overall personality development of students and placement. He expected students to be encouraged, disciplined, self-motivating and carry a sense of belongingness for the college. The class representatives also shared their problems and suggested positive changes in the various spheres.

Prof. Surjeet Kaur, Convenor, briefly introduced various sub-committees namely Grievance Redressal Cell, Anti Ragging Committee, Canteen Committee and other vital cells of the college. Overall the online session was highly interactive and fruitful and it was attended by nearly 63 participants including class representatives and members of Student Welfare Committee.
